## MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

Abhilashi University, Chail-Chowk, Distt.Mandi, Himachal Pradesh-175045

AND

ISF College of Pharmacy (An Autonomous College), Moga, Punjab- 142001

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is executed on this 11<sup>th</sup> day of January, 2021 (hereinafter referred as the "Execution Date") by and between

**Abhilashi University**, Chail-Chowk, Tehsil Chachyot, District Mandi, Himachal Pradesh-175045 (hereinafter called "AU") situated in a lush green valley surrounded by oak and pine forests on a serene hilly terrain. AU was established as a State Private University by the Government of Himachal Pradesh vide Abhilashi University (Establishment and Regulation) Act, 2014. AU is recognized by UGC u/s 2(i), HPPERC, CCIM, PCI, AICTE, NCTE, HPPVC. It became operational on August 14, 2014 and now having five Faculties ( Schools and Departments constitute the Faculty) conferring diploma, graduate, post graduate and doctoral degrees in different subjects. Courses include BAMS, BPT, B Sc and M Sc in Agriculture; Diploma to Ph D in Pharmacy, B Tech, M Tech & Ph D in Engineering, Master and Ph D in Education, Management and Sciences, integrated program of BA/BSc B Ed; Diploma in Ayurvedic and Veterinary Pharmacy; b Sc MLT and more. The courses are approved by different regulatory bodies. "Excellence in Professional and Technical Education through Dedication and Innovative Research" is the Vision of AU. Dedicated eligible faculty with well equipped laboratories and other infrastructure impart knowledge to the students. The campus has Wi Fi connectivity. The library has large number of books and its digital wing subscribed to infibnet and Delnet. Abhilashi Ayurvedic Hospital & Research Institute on the campus also caters to the needs of the local community. Our veterinarians and agriculture experts regularly

advise the farmers of the surrounding villages for the better yield of the latter's produce. Mission of AU is to impart best quality education to its stakeholders and carry research of national and international significance

AND

**ISF College of Pharmacy** (an Autonomous College), Moga, established in 1984 is recognized by AICTE & PCI, New Delhi and having its registered office at GT Road, Ghal-Kalan, Moga (hereinafter called "**ISFCP**") which expression shall, unless it be repugnant to the context or meaning thereof, be deemed to mean and include its administrators, executors, successors and assignees). ISFCP is accredited by NAAC Grade "A", in NIRF-2020 achieved 32<sup>nd</sup> rank in Pharmacy category by MHRD and Govt. of India. The Institute is also recognized among top "3 Best Pharmacy Institute" in India by AICTE-CII, New Delhi and Best Pharmacy Institute in Punjab by CMAI in collaboration with IKGPTU and AICTE. ISFCP has 39 well-equipped Research Labs for UG, PG and PhD program and 12 specialized labs i.e. Nano-Technology, Microbial Cell Culture, Cell Culture, Polymer Lab, NDDS, Tissue Culture, CADD, Cardiovascular, Zebra Fish, Industrial Pharmaceutical Lab, Food Lab, Herbal Technology. Institute is also running Analytical Lab (ISFAL) approved by NABL, CDSCO and Govt. of Punjab. Running CPCSEA approved animal house with breeding and trading facility. ISFCP aims to strengthen academia and research through education, training, research, and advocacy/policy initiatives.

The respective Institutes jointly recognize this MoU to mutually cooperate in the areas of Pharmacy and Life Science Education, Research and Development as well as support to research and development.

### OBJECTIVES

The primary purpose of this MoU is to build academic research capacity, to promote mutual understanding between the research establishments at the institutions as well as for technical support to research. The MoU shall formally set out the terms of cooperative relationship between the parties, establish their respective roles, and facilitate the function of each party in relation to collaborative research.

The parties agree to develop collaborative activities in academic areas of mutual interests, entrepreneurship development and as equal partners with reciprocity.

The development and implementation of specific activities based on MoU shall be negotiated and agreed between individual faculty members and/or through the Heads of the Department/Institute. This MoU is agreed on the basis of cooperation between the parties and includes, but is not limited to, the following aspects:

- a. To conduct collaborative research projects and jointly apply for research funds
- b. Conducting colloquiums

- c. Exchange of academic/research information and related materials to facilitate joint publications by collaborating faculty members
- d. Promoting any academic activities of interest based on mutual agreement
- e. Utilization of Library, Laboratory facilities and software, as per agreed terms
- f. Mentoring or Technical support to the incubatees, as needed
- g. Exchange of faculty members/ research scholars /students based on the projects and research needs
- h. Utilization of Animal house and ISF Analytical Lab (Approved by NABL) after mutual discussion related to cost of proposal
- i. Research related interactions between faculty and scholars

### TERMS OF AGREEMENT

1. The parties will manage their own financial liabilities, aroused out of collaborative academic and research projects.
2. Intellectual Property Rights: IPR titles or ownership of any product, proprietary information or technology tools, processes, utilities, and methodology for any deliverables, new ideas, inventions, or development conceived, developed or made jointly by AU and ISFCP under the ambit of this MoU shall remain the property of all the parties, as agreed mutually. This clause shall remain valid even after the termination or expiry of this MoU.
3. In no event shall any party be liable for any indirect, incidental, special consequential damages, including but not limited to loss of profits, revenue, data or use, incurred by the other party in connection with arising out of or under this agreement, save for any such loss suffered resulting from any willful and negligent act or omission of either of the parties.
4. During the tenure of the MoU, the parties agree to respect confidentiality of any work or material provided in confidence. The parties would seek each other's permission before assigning any Intellectual Property Rights to a third party.
5. Neither this agreement, nor any activity described herein shall be construed as creating a partnership, joint venture, agency or other such relationship between the parties and nothing contained herein shall preclude either party from participating/initiating similar relationship with third parties.
6. This MoU may not be amended without the prior written consent of each of the parties.
7. This MoU will come into force and deemed to have commenced from the date of its signing and shall continue for a period of five (5) years from thereof and be automatically renewed for successive period of five years, unless either of the parties notifies in writing to the other party of its intentions to terminate this MoU, ninety days in advance.
8. This MoU is not a legally binding contract and under no circumstances does this MoU subject either parties to liability for breach of contract or any other liability under national or international law or any other applicable law.
9. The parties hereby agree that they are not bound exclusively by this MoU and shall be at a liberty to enter into any separate agreements or arrangements with any third party without reference to the other party. However, any information or data etc evolved of this MoU will not be shared with the third party without the written consent of AU and ISFCP.

10. If during the tenure of the MOU any joint program is delayed due to reason of Force Majeure nature such as acts of God, acts of public enemy, acts of government, fire, flood, strike, epidemic and civil commotion, the extension of the joint programs would be mutually decided.
11. Each of AU and ISFCP warrants that this MoU is not likely to have any conflict of interest with any of their organizational, financial, contractual or other interests relating to the work under this MoU.
12. **TERMINATION:** If either party fails to fulfill its respective obligations as set out in the previous clauses of this MoU, the parties shall consult each other with a view to correcting the default by the party concerned. If even thereafter the default is not rectified by the defaulting party, then the other party may terminate this MoU by giving ninety (90) days notice in writing to the defaulting party provided that such termination shall not affect the rights of the parties to the MoU which have accrued prior to such termination.

Institutions agree to carry out the above-mentioned activities in accordance with laws and regulations of respective institution after full consultation and approvals.

In witness whereof, the parties have executed this document on the day 11<sup>th</sup> January, 2021.

## AND

**Agro Environmental Education & Farmers Welfare Society (A.E.E.F.W.S.)** was founded in 2021. It is an autonomous research and educational organization registered under Society Registration Act XXI of 1860 bearing the Registration No. 255 during 2020-21. It is a scientific and educational organization, working in the field of agriculture, environment and farmers welfare for sustainable development and provides a unique platform to the scientists, academicians, researchers and policy makers for exchanging their ideas, encouraging research and disseminating knowledge of Agro Environment in the society.

A.E.E.F.W.S. is one of the largest networks of agriculture and allied sector professionals in India and acts as a bridge between a network of Indian rural communities and other stakeholders, including government, development organizations and corporate entities. A.E.E.F.W.S. does this through large-scale field implementation projects with integrated deployment of technological innovation for efficiency and scale. Till now, 5 Vice-Chancellors, 12 Directors, 30 Principal Scientists, 145 Professor and Assistant Professor's, 350 PhD Scholars and more than 2500 experts from various specializations of Agriculture, Veterinary and other sciences from 27 States of India and 9 Countries across the globe have contributed in A.E.E.F.W.S. projects to enhancing livelihood opportunities for more than one million farmer households. We are also supplying citrus, eucalyptus, flower seed indigenously. Seedlings production is done at our farm at 40 acres. We have a good facility for seedling preparation, seed processing, grading, packing and export. Seed quality assessment is done at each level of seed sale.

## OBJECTIVES

The primary purpose of this MoU is to recognizing the importance of research and development in the areas of Organic Production, as well as imparting organic farming to the Agriculture students, etc. The MoU shall formally set out the terms of cooperative relationship between the parties, establish their respective roles, and facilitate the function of each party in relation to collaborative trainings and research.

The parties agree to develop collaborative activities in academic areas of mutual interests, entrepreneurship development and as equal partners with reciprocity.

The development and implementation of specific activities based on MoU shall be negotiated and agreed between the Heads of Institutions. This MoU is agreed on the basis of cooperation between the parties, subject to the availability of resources, approval of both parties, on basis of mutual reciprocity through such activities or programmes as:

1. Advance agriculture skill development education to students and farmers
2. Students and farmers training
3. Research
4. Consultancy
5. Study visits
6. Promoting any academic activities of interest based on mutual agreement
7. Policy advocacy in natural farming

**Responsibilities of Abhilashi University, Chail-Chowk, Tehsil Chaachyot, District Mandi, Himachal Pradesh, India**

**Abhilashi University shall:**

- Allow students and even the faculty members of Abhilashi University to register for any training programme run by A.E.E.F.W.S.
- Invite A.E.E.F.W.S members as visiting faculty members to deliver lectures as per requirement of the University in various courses.
- Provide timely clarifications regarding Academic Inputs and any other necessary information to the Training Centre.

**Responsibilities of the Agro Environmental Education & Farmers Welfare Society (A.E.E.F.W.S.)**

- **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the A.E.E.F.W.S. to permit the Faculty and Students of the Abhilashi University, Mandi to visit its group companies and also involve in Industrial Training Programs for the Abhilashi University, Mandi. The industrial, field training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The A.E.E.F.W.S. will provide its Labs / Workshops /

Industrial Sites for the hands-on training of the learners enrolled with the Abhilashi University, Mandi.

- Internships and Placement of Students: A.E.E.F.W.S. will actively engage to help the delivery of the Internship and placement of students of the Abhilashi University, Mandi into internships jobs.
- Skill Development Programs: A.E.E.F.W.S. to train the students of Abhilashi University, Mandi on the emerging technologies in order to bridge the skill gap and make them industry ready.

#### TERMS OF AGREEMENT

1. Nothing contained in this MoU shall, by express grant, implication, or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.
2. There is no financial commitment on the part of the Abhilashi University, Mandi and Agro Environmental Education & Farmers Welfare Society (A.E.E.F.W.S.) to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.
3. During the tenure of the MoU, the parties agree to respect confidentiality of any work or material provided in confidence. The parties would seek each other's permission before assigning any Intellectual Property Rights to a third party.
4. This MoU will come into force and deemed to have commenced from the date of its signing and shall continue for a period of three (3) years.
5. This MoU is not a legally binding contract and under no circumstances does this MoU subject either parties to liability for breach of contract or any other liability under national or international law or any other applicable law.
6. The parties hereby agree that they are not bound exclusively by this MoU and shall be at a liberty to enter into any separate agreements or arrangements with any third party without reference to the other party. However, any information or data etc evolved of this MoU will not be shared with the third party without the written consent of AU and A.E.E.F.W.S.
7. Each of AU and A.E.E.F.W.S warrants that this MoU is not likely to have any conflict of interest with any of their organizational, financial, contractual or other interests relating to the work under this MoU.

**TERMINATION:** If either party fails to fulfill its respective obligations as set out in the previous clauses of this MoU, the parties shall consult each other with a view to correcting the default by the party concerned. If even thereafter the default is not rectified by the defaulting party, then the other party may terminate this MoU by giving ninety (90) days notice in writing to the defaulting party provided that such termination shall not affect the rights of the parties to the MoU which have accrued prior to such termination.

This Agreement will be valid from 12 August, 2021 to 12 August, 2024 on mutually agreed terms, during which period Abhilashi University, Mandi and Agro Environmental Education & Farmers Welfare Society (A.E.E.F.W.S.), as the case may be, will take effective steps for implementation of this MOU.

In witness whereof, the parties have executed this document on the day 12 August, 2021.

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is executed on this 28<sup>th</sup> January, 2021 (hereinafter referred as the "Execution Date") by and between

**Abhilashi University**, Chail-Chowk, Tehsil Chachyot, District Mandi, Himachal Pradesh-175045 (hereinafter called "AU") situated in a lush green valley surrounded by oak and pine forests on a serene hilly terrain. AU was established as a State Private University by the Government of Himachal Pradesh vide Abhilashi University (Establishment and Regulation) Act, 2014. AU is recognized by UGC u/s 2(f), HPPERC, CCIM, PCT, AICTE, NCTE, HPPVC. It became operational on August 14, 2014 and now having five Faculties (Schools and Departments constitute the Faculty) conferring diploma, graduate, post graduate and doctoral degrees in different subjects. Courses include BAMS, BPT, B. Sc. and M. Sc. in Agriculture; Diploma to Ph. D. in Pharmacy; B. Tech., M. Tech. & Ph. D. in Engineering, Master and Ph. D. in Education, Management and Sciences; integrated program of BA/BSc B Ed; Diploma in Ayurvedic and Veterinary Pharmacy; B. Sc. MIT and more. The courses are approved by different regulatory bodies. "Excellence in Professional and Technical Education through Dedication and Innovative Research" is the Vision of AU. Dedicated eligible faculty with well-

equipped laboratories and other infrastructure impart knowledge to the students. The campus has Wi-Fi connectivity. The library has large number of books and its digital wing subscribed to InFLiNet and Delnet. Abhilashi Ayurvedic Hospital & Research Institute on the campus also caters to the needs of the local community. Our veterinarians and agriculture experts regularly advise the farmers of the surrounding villages for the better yield of the latter's produce. Mission of AU is to impart best quality education to its stakeholders and carry research of national and international significance.

AND

**International Institute of Advanced Agriculture Skill Development (IIAASD)** is the first of its kind institute which is providing one stop solutions for the commercial cultivation of medicinal and aromatic plants and organic farming from training to marketing and processing. We are a source of knowledge and information in field of organic farming practices, medicinal and aromatic crop cultivation and horticulture farming. Till date we have trained 10,000 farmers from all across the India to become entrepreneurs as well as 40,000 farmers who have got training from our institute to become economically independent.

Since 1996, we are providing this unique kind of services to the nation, our aim is to provide low-cost farming practices knowledge by reducing agriculture input cost and in return farmer should get high quality output and in return they could get high value for their products.

With this vision and mission, we started International Institute of Advance Agriculture Skill Development in year 2010 for the betterment of Farmers and Agriculture in India. From starting we have overcome many milestones by providing better knowledge and good quality services to India. Farmers and Agri Entrepreneurs from all across the country are coming here for getting this precious & unique kind of knowledge and services.

Modern agriculture practices are increasingly turning out to be knowledge-based and hence gaining expertise in them is not an easy task for many of our rural farmers. Agriculture is an important part of our Indian economy and the demand for skilled professionals in this field is growing day by day. With this vision in mind institute devoted to provide certificate courses which will give:

- Better job prospect to students,
- Quality cultivation knowledge to the farmers,
- Provide earning information to Rural People and Village Women,
- Marketing knowledge to the Agri- Entrepreneurs,
- Better source of information to the Agri- Professionals etc.

The respective Institutes jointly recognize this MoU to mutually cooperate in the areas of Agriculture and Life Science Education, Research and Development as well as support to research and development.

### **OBJECTIVES**

The primary purpose of this MoU is to recognizing the importance of research and development in the areas Organic Production, as well as imparting organic farming to the Agriculture students.

etc. The MoU shall formally set out the terms of cooperative relationship between the parties, establish their respective roles, and facilitate the function of each party in relation to collaborative trainings and research.

The parties agree to develop collaborative activities in academic areas of mutual interests, entrepreneurship development and as equal partners with reciprocity.

The development and implementation of specific activities based on MoU shall be negotiated and agreed between individual faculty members and/or through the Heads of Institutions. This MoU is agreed on the basis of cooperation between the parties, subject to the availability of resources, approval of both parties, on basis of mutual reciprocity through such activities or programmes as:

1. Advance agriculture skill development education to students and farmers
2. Students and farmers training
3. Research
4. Consultancy
5. Study visits
6. Promoting any academic activities of interest based on mutual agreement
7. Policy advocacy in natural farming

- Provide assistance to conduct study visits, field visits, etc.
- Provide free of cost counseling and guidance to the students for one year after training.
- Provide organing farming practices.

### TERMS OF AGREEMENT

1. The parties will manage their own financial liabilities, aroused out of collaborative academic and research projects.
2. Intellectual Property Rights: IPR titles or ownership of any product, proprietary information or technology tools, processes, utilities, and methodology for any deliverables, new ideas, inventions, or development conceived, developed or made jointly by AU and HAASD under the ambit of this MoU shall remain the property of all the parties, as agreed mutually. This clause shall remain valid even after the termination or expiry of this MoU.
3. In no event shall any party be liable for any indirect, incidental, special consequential damages, including but not limited to loss of profits, revenue, data or use, incurred by the other party in connection with arising out of or under this agreement, save for any such loss suffered resulting from any willful and negligent act or omission of either of the parties.
4. During the tenure of the MoU, the parties agree to respect confidentiality of any work or material provided in confidence. The parties would seek each other's permission before assigning any Intellectual Property Rights to a third party.
5. Neither this agreement, nor any activity described herein shall be construed as creating a partnership, joint venture, agency or other such relationship between the parties and nothing contained herein shall preclude either party from participating/initiating similar relationship with third parties.
6. This MoU may not be amended without the prior written consent of each of the parties.
7. This MoU will come into force and deemed to have commenced from the date of its signing and shall continue for a period of five (5) years.
8. This MoU is not a legally binding contract and under no circumstances does this MoU subject either parties to liability for breach of contract or any other liability under national or international law or any other applicable law.
9. The parties hereby agree that they are not bound exclusively by this MoU and shall be at a liberty to enter into any separate agreements or arrangements with any third party without reference to the other party. However, any information or data etc evolved of this MoU will not be shared with the third party without the written consent of AU and HAASD.
10. If during the tenure of the MOU any joint program is delayed due to reason of Force Majeure nature such as acts of God, acts of public enemy, acts of government, fire, flood, strike, epidemic and civil commotion, the extension of the joint programs would be mutually decided.

11. Each of AU and HAASD warrants that this MoU is not likely to have any conflict of interest with any of their organizational, financial, contractual or other interests relating to the work under this MoU.
12. TERMINATION: If either party fails to fulfill its respective obligations as set out in the previous clauses of this MoU, the parties shall consult each other with a view to correcting the default by the party concerned. If even thereafter the default is not rectified by the defaulting party, then the other party may terminate this MoU by giving ninety (90) days notice in writing to the defaulting party provided that such termination shall not affect the rights of the parties to the MoU which have accrued prior to such termination.

Institutions agree to carry out the above-mentioned activities in accordance with laws and regulations of respective institution after full consultation and approvals.

In witness whereof, the parties have executed this document on the day 28<sup>th</sup> January, 2021.
