

GENDER EQUITY

ROLE OF WOMEN IN RURAL INDIA

Mrs. Shivani Kaundal

Date- 5th May 2017

Indian women, and rural women in particular, play many social and economic roles inside as well as outside the home, but their contribution does not receive due to recognition. They have been excluded from the various training and rural development programmes which usually involve the manifold health, nutrition and so on. This can be attributions and potential of women. Thereby of On 5th of May, 2017 a seminar was delivered on “Role of women in rural India” by Mrs. Shivani Kaundal (Assistant Professor) faculty of Agriculture at Abhilashi University. The seminar was attended by all faculty members along with students. Different relevant and interesting subjects’ related to present situation of women in India and Himachal Pradesh were discussed. The new horizon develops in recent time for role of women in rural India and their contribution in different field was elaborated in detail. Rural women helps in shaping laws, policies and programmes on all the issues that affect their lives, including improved food and nutrition security and better rural live hoods. Rural women should be encouraged to do something out of the household works, and if they already want to work in offices to earn for themselves, no one should stop them. They are an individual identity who has full freedom of doing anything that they think is the best of them was elaborated in detail. The audience was also familiarized by different fields through which the status of rural women can be uplifted.

GUEST LECTURE ON ROLE OF WOMEN IN SOCIETY

Mrs. Shivani Kaundal

11th May 2018

Women are equally important in society as men are. They are the back bone for a progressing nation. Demographically, half a population of the country constitutes women, and they deserve equal importance and rights in society. From keeping the home safe and clean to portraying excellent outcomes in workplace, women can do it all. Their capabilities must not be underestimate based on their gender, and they should be given equal opportunity to display their talents. It is essential for us to know the status of women in our society. Thereby of on 5th of May, 2017 a seminar was delivered on “Role of women in Society” by Mrs. Shivani Kaundal (Assistant Professor) faculty of Agriculture at Abhilashi University. The seminar was attended by all faculty members along with students. Women are the prime caretakers of families around the world. Women play an important role in supporting their households and communities for achieving food and nutrition security, creating income and improving livelihoods and over all well being were elaborated in detail. The audience was also familiarized by different work and participation of women indifferent areas such as education, sports, politics, media, art and culture, service sectors, science and technology etc.
