SECTION B: Program report and reflection

1. Program objectives

- To protect environment and make pollution free.

2. Program description:

Himachal Pradesh Chief Minister launched Pollution Abating Plants Abhiyan (PAPA) on the occasion of World Environment Day-2018 celebrated at Government Polytechnic College Sundernagar in Mandi district. Jai Ram Thakur said that the World Environment Day is an awakening call for individuals to take charge of protecting the environment and to realize the severity of plastic usage in daily life.

He said that World Environment Day was the "people's day" for doing something to take care of the Earth. He said that the World Environment Day should not be a ceremonial occasion, but something concrete must come out from this. He said that environment was one of the dearest issues for the Prime Minister Narendra Modi. He said that environment conservation and cleanliness must become part of our life. He said that that the cleanliness campaign has become a people's movement due to awareness campaign launched by the Prime Minister. He also urged the students to come forward for environmental conservation. He said that 67.5 per cent geographical part of the State is covered with forests, but still lot more needed to be done for effective environment conservation. The Chief Minister gave a clear call to the people of the State to work collectively for making various policies and programmes initiated by the State Government a success.

Pollution Abating Plants Abhiyan (PAPA) is an initiative of H.P State Pollution Control Board (Him Parivesh, Phase-III, New Shimla) at seven polluted (air pollution) towns as Baddi, Naagarh, Parwanoo, Kala Amb, Paonta Sahib, Sunder Nager, Damtal & Una.

N.S.S Unit of Abhilashi University, Chail Chowk, Mandi, H.P took the responsibility to make Sunder Nager air free from pollution under the guidance of Dr. R.K Abhilashi, Hon'ble Vice Chancellor. N.S.S Unit took to initiative work for Pollution Abating Plants Abhiyan at Sunder Nager.

Location for Pollution Abating Plants Abhiyan: Site for Plantation under Pollution Abating Plants Abhiyan is on Govt. Land at Majnu Ka Tilla Under gram Panchayat Behli. The Three begha land provided by SDM Sunder Nager under HP State Pollution Control Board for plantation. 27 types of outdoors plants and 18 types indoors plants for Pollution Abating Plants Abhiyan plantation.

5.2 Participants feedback.

All Volunteers actively participated in this camp and know about service learning. They got a sense of responsibility towards society. They understood a thing that if all of us perform our duties from our parts then there will be no room for complaining about the pollution, dirty roads and other things and plantation is important to save our environment.

SECTION B: Program report and reflection

1. Program objectives

- To aware volunteers to save water.

2. Program description:

World Water Day, held on 22nd March every year since 1993. School of Pharmacy and National Service Scheme Unit jointly organized lecture on "World Water Day". Dr. Abhishek Soni and Mrs. Chinu Kumari delivered lecture on the day and said that this year's theme World Water Day is about what water means to people, it's true value and how we can better protect this vital resource. The value of water is about much more than its price – water has enormous and complex value for our households, culture, health, education, economics and the integrity of our natural environment. If we overlook any of these values, we risk mismanaging this finite, irreplaceable resource. This day focuses on the importance of freshwater and presses for the sustainable management of freshwater resources. Besides, the day is aimed at raising awareness about 2.2 billion people living without access to safe water resources globally. According to the UN, global water demand is likely to rise by over 50% by 2040.

Program objectives

World soil Day

Program description:

Abhilaashi University organized a camp (7-12-2021) on the occasion of World's Soil day in Pathan village, District Mandi (H.P.). On this occasion, Dr. Ravinder discussed with farmers about soil testing and gave demonstration on preparation of vermicompost. Seven teachers and 30 students of Abhilaashi University and thirty farmers were present there. Dr. Priyanka gave the information to farmers regarding sustainable farming practice (organic farming and natural farming) which helps in retaining soil fertility, ensure chemical free agriculture, low cost of production and thereby enhance farmer's income.

SECTION B: Program report and reflection

1. Program objectives

- The main objective of Teachers Day is to pay respect towards teacher by students.

2. Program description:

One day Celebration Teacher's Day is celebrated on 5th September every year on the occasion of the birth anniversary of India's second President, Dr. Sarvepalli Radhakrishnan. Dr. Sarvepalli Radhakrishnan was of the opinion that "teachers should be the best minds in the country". On every September 5, Teacher's Day is celebrated all over India as an occasion to appreciate and acknowledge the efforts and hard work of our teachers in making us sophisticated and responsible individuals. In the morning session, students dressed up as teachers and also assume their role by taking classes for First, Second, Third and Final year. Afternoon session started with the motivational speech given by Dr. Amit Chaudhary (Dean-School of Pharmacy), on importance of student teacher relationship and positive learning environment for the students. Then students performed special cultural program for their teachers to make them happy and feel special in every way possible which include felicitation of teachers and various interactive games too. Program was concluded by vote of thanks by third year students, National anthem followed by Refreshment.

SECTION B: Program report and reflection

1. Program objectives

The main objective of This concept holds that the important role of the pharmacist is "the responsible provision of drug therapy for the purpose of achieving definite outcomes that improve a patient's quality of life." Pharmacist, then, are those who are educated and licensed to dispense drugs and to provide drug information—they are experts on medications.

2. Program description:

Guest lecture conducted by school of pharmacy on 7th March ,2020 on "Scope of Pharmacy: Professional, health care in modernized work". Hon'ble Chancellor **Dr. R.K Abhilashi**, was chief guest of the day. Dr. Amit Chaudhary heartly welcome our chief guest and guest Lecturer expert **Dr. Vir Vikram, Professor, ISF, Moga, Punjab** and shared valuable word for him. **Dr. Vir Vikram** delivered marvelous speech and motivated the students. He said that Pharmacy is the art and science of preparing and dispensing medications and the provision of drug-related information to the public.

In his lecture he delivered the interpretation of prescription orders; the compounding, labeling, and dispensing of drugs and devices; drug product selection and drug utilization reviews; patient monitoring and intervention; and the provision of cognitive services related to use of medications and devices.

The American Pharmacists Association describes the mission of pharmacy as serving society as "the profession responsible for the appropriate use of medications, devices, and services to achieve optimal therapeutic outcomes." The Report of the Commission of Pharmacy, Pharmacists for the Future (often referred to as the Millis Report), states that "pharmacy should be conceived basically as a knowledge system that renders a health service by concerning itself with understanding drugs and their effects." Thus, pharmaceutical care is a necessary element of total health care as Dr. Vir Vikram said.

SECTION B: Program report and reflection

1. Program objectives

It provides to reduce misconceptions about cancer and to help people in getting the right information about it.

2. Program description:

School of Pharmacy, Abhilashi University celebrated "World Cancer Day" on 4th Feb 2021. The theme for World Cancer Day 2021 was 'I Am and I Will'. It was a multi-year campaign that began in 2019 and this year will mark the last year. The theme represented an empowering call-to-action urging personal commitment, it also represented the power of action taken now to have a positive impact on the future. Mr. Sunny Dhiman, Asst. Prof. delivered lecture on awareness on World Cancer Day and said that the aim to observe World Cancer Day is to reduce misconceptions about cancer and to help people in getting the right information about it. It also offers a chance to make an impact in the betterment of the life of cancer patients and survivors. The leading cause of deaths around the globe happens to be cancer. The top cancers that affect the Indian population are lung, breast, cervical, head and neck and colorectal cancer (CRC). So, it is important to understand each type of cancer and how it impacts the body. On World Cancer Day, everyone comes together with an agenda to achieve a healthier and brighter world free of cancer.
