The first camp was organized on 28 Jan 2021 and the dose of vaccination was administered to the Vice Chancellor, Registrar, Teachers, Hospital staff and students of BAMS for the prevention of COVID-19. The second dose was scheduled on 4 March 2021. Next COVID-1 vaccination camp was organized on 4 March 2021 and 2nd dose was given to the staff and students of Abhilashi Ayurvedic College and research Institute Chail Chowk.

ONLINE TEACHING PROGRAM FOR FACULTY OF B.A.M.S.

Due to the current pandemic of COVID-19 globally, the Rashtriya Ayurveda Vidyapeeth (RAV) decided to conduct The National Teachers Teaching Training program in collaboration with the Central Council of Indian Medicine (CCIM) and All India Institute of Ayurveda (AIIA) through video conferencing. Mr. Shyam Lal, Assistant Professor Sanskrit, and Dr. Pankaj Saklani, Reader, Department of Samhita Siddhant and Sanskrit Abhilashi Ayurvedic College and Research Institute were nominated by CCIM to

participate in this training program. Which was scheduled from 8th Feb 2021 to 10th Feb.2021.

COURSE APPROVAL PRESENTATION IN SHIMLA

On 9th February Vice-Chancellor, Abhilashi University has given a presentation on course approval. After detailed deliberation on the agenda item, the Council approved the proposal to start new courses for the growth and development of the University. Chancellor Dr. R.K. Abhilashi appreciated his efforts to start new courses to enhance educational excellence and to establish the University as an educational hub in the vicinity.

ACADEMIC AUDIT BY HON'BLE CHANCELLOR

On 13th March academic audit has been done by the Hon'ble Chancellor of the University. The main objective of the audit was to evaluate the teaching-learning, evaluation, research, and extension activities of the university and identify the issues that are to be attended to upgrade the overall academic quality.

HON'BLE CHANCELLOR ADDRESSED STUDENTS

Dr. R.K. Abhilashi, Chancellor, Abhilashi University called for a meeting with BAMS students on 9th March 2021. Hon'ble Chancellor gave his blessings to the students and enlightened them with his valuable views.

Dr. R.K. Abhilashi guided the students to stay away from any type of drugs, as the drugs in the present era are destroying the new generation very extensively. He stressed that nobody should get involved in drugs and the environment of Abhilashi University should be drug-free. The Youth of our nation should focus on their mental and physical well-being. Hon'ble Chancellor ensured that Abhilashi University management is determined to provide all facilities to the students. Dr. R.K. Abhilashi said that there will be more focus on practical education so that the students don't lack knowledge in this COVID-19 pandemic which has lead education institutes to take online classes in past. The Deans of various Faculties and University Teaching staff were also present in this meeting.

WORKSHOP ON DRUG ABUSE PREVENTION

A workshop was organized on drug abuse prevention at Abhilashi University on 26 March 2021 and students were made aware of drug abuse. Superintendent of Police Mandi, Shalini Agnihotri, was the Guest speaker of this workshop Ms. Agnihotri said that drug abuse is a slow poison. It has destroyed millions of lives. If it is not stopped it will seriously injure society and the future of our country. The parents of the new generation along with the youth of India should try to make India drug-free.

Mr. O.P. Sharma Convener cum Advisor H.P. Nasha Niwaran Board said that drugs are a social evil. It destroys physical, mental, and social health. We should make aware the new generation about drug abuse and all of us should pledge that we will not indulge in any kind of drug abuse.

Dr. R.K. Abhilashi Chancellor Abhilashi University told the students that the use of narcotic drugs not only affect their lives but also destroy the life of their parents and well-being of the society. He said that drug addiction has become a curse and it is hollowing out the roots of the country and society, so he motivated the students to stay away from the drugs and become aware of their future. Prof.H.S.Banyal, Vice-Chancellor Abhilashi University also addressed the students. Er. Kapil Kapoor, Registrar Abhilashi University Controller of Examination Mr. Kishori Lal, Deans of different Faculties, Teaching and non-teaching staff of Abhilashi University have embraced the gathering by their presence.

WEBINAR ON PERSONALIZED MEDICINES

On dated 10.06.2021 School of Pharmacy, Abhilashi University organized a webinar on the Role of Drug Discovery for Future Generation. Dr. R.K Abhilashi, Chancellor, Abhilashi University inaugurated the program. More than 100 academicians, professionals, and Ph.D scholars from different Universities /colleges across the country participated in this scientific webinar. Vice-Chancellor Prof. H.S Banyal emphasized that advancements in genotyping are improving transplant outcomes and dramatically improving our ability to predict the potential for a patient to experience severe hypersensitivity reactions to a drug. He also discussed translating new knowledge about personalized medicines, pharmacogenomic biomarkers into routine clinical practice has become reality rather than a futuristic vision. Speaker, Dr. Kamal Singh Rathore, Prof. & Head (Dept. of Pharmaceutics), B.N College of Pharmacy, B.N University, Udaipur said that changes in medical technology provide an opportunity for the patients and the healthcare provider to know the risk

of disease, response to the therapy, and benefit from more targeted and effective treatment. Further he added that we will have to incorporate technology in

reading and research over time. This is the need of the hour. The field of science and genetics allows us to develop effective, safe medications and doses tailored to an individual's genetic makeup what we call today "targeted therapy" which is either small-molecule drugs or monoclonal antibodies. At the end of the webinar, the experts resolved the queries of teachers and research students. The program was ended with a vote of thanks by the Dean, School of Pharmacy.

SCHOOL OF PHARMACY CONDUCTED ONLINE PLACEMENT

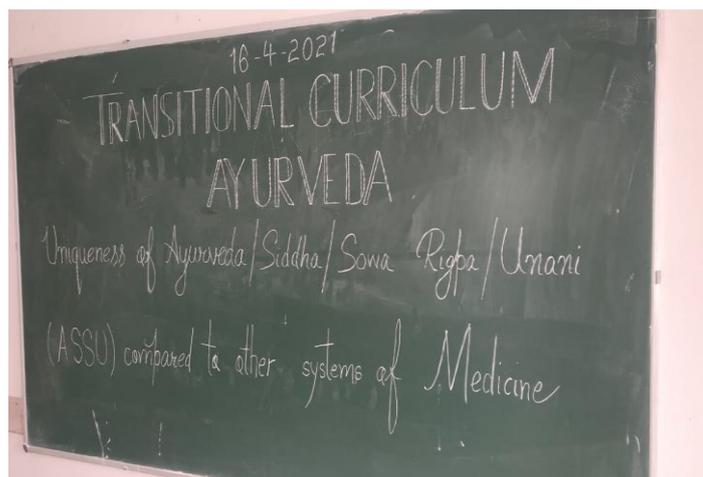

Macleods Pharmaceuticals Ltd, Baddi, Himachal Pradesh conducted an on-line recruitment drive for B. Pharmacy students.

Four students from B. Pharmacy final year were selected and they have joined Macleods Pharmaceuticals in their various divisions. This plant in Himachal Pradesh is dedicated to the manufacturing of oral solids, oral liquids, soft gels and topicals. This facility is also approved by USFDA, UKMHRA, WHOPOQ, and other stringent regulatory authorities.

TRIBUTE TO FRONTLINE CORONA WARRIORS

Since the coronavirus outbreak, healthcare professionals have not only experienced the gratification of healing patients and saving their lives but have also lost many talents along the way. On top of that, many doctors have even sacrificed their own lives in the line of duty. Every day, the selfless warriors are giving it their all-in health-care settings while cutting themselves off from their families and loved ones. The sacrifice that they are making for the safety and welfare of humanity is priceless and deserves lifelong gratitude on our end. Most importantly, we must reassess the value healthcare workers hold in our lives and the kind of treatment they get from us. Among the several lessons this coronavirus pandemic has been teaching us, the biggest one is to find ways to sufficiently invest in the better and more efficient medical fraternity and give medical professionals the

Dr. J.S. Saini Former Professor, NITTTR, Chandigarh. Dr. Saini discussed that Skill Development is the process of identification of the skills gap in youth and providing skilling training and employment benefits to them. Therefore, both central and state governments are continuously making efforts to provide skill development to the youth with their skilling partners around the country. Prof. H.S. Banyal, Vice-Chancellor added that skill development identifies the gaps and develops the skills which enable the person to achieve their goals. Dr. L.K. Abhilashi, Pro-Chancellor was also present at the event. The program was ended with a vote of thanks by coordinator Mr. Hemant Kapoor.

ENGINEERS DAY CELEBRATED ON THE CAMPUS

Faculty of Engineering and Management celebrated "Engineers Day" on dated 15/09/2021 to commemorate one of India's finest Engineers, Mokshagundam Visvesvaraya. On this occasion Vice-Chancellor Prof. H.S. Banyal addressed the students and said that Visvesvaraya is considered one of the foremost nation builders, creating marvels upon which modern India was built. He referred to as the precursor of economic planning in India. Dr. Devender Sharma, Dean School of Engineering and Management ended the program with a vote of thanks.

NATIONAL LEVEL WORKSHOP ORGANIZED IN UNIVERSITY CAMPUS

One day National Workshop "Management and Engineering Perspectives in COVID-19 Pandemic" organized by School of Engineering and Management Department in association with T.R. Abhilashi Engineering College on 27/09/2021 at Multipurpose Hall. The event was organized by the Dean School of Engineering and Management and hosted by Ms. Ankita Chaudhary.

Dr. R.K. Abhilashi, Chancellor, Abhilashi University welcomed the eminent speaker Prof. Ampu Hari Krishnan, Pro-Vice-Chancellor, HGU, India, and Dr. Manoj Nanwal, Associate Professor, Engineering Deptt, HGU, India the guest speakers of the day. Dr. Ampu Hari Krishnan highlighted the future aspects of Management due to Covid -19 pandemic and Dr. Manoj discussed the Technological perspective of the Pandemic. Pro-Chancellor, Vice-Chancellor, Registrar, and Deans of various Schools were also present. The event was ended with a vote of thanks by Dr. Modgil Principal, T.R. Abhilashi Engineering college.

VAN MAHOTSAVA CELEBRATED AT UNIVERSITY CAMPUS

"The true meaning of life is to plant trees; under whose shade you do not expect to sit." -Nelson Henderson.

Van Mahotsav week is celebrated in Abhilashi University to encourage students to plant more and more trees as they are being cut down on a large scale for industrialization and urbanization. Trees contribute to the production of food resources, maintain ecological balance, improve air quality, climate amelioration, conserves water, preserves soil, supports wildlife, reduces drought and prevents soil erosion and pollution. Deforestation is a worrying concern and Van Mahotsav week aims to bring more and more people together to grow and save forests. Reports suggest that regions having a high population density and high forest cover were not much impacted by the Covid-19 pandemic.

Dr. R.K. Abhilashi, Chancellor Abhilashi University, Dr. L.K. Abhilashi, Pro-Chancellor, Abhilashi university, Prof. H.S. Banyal, Vice Chancellor, Abhilashi University along with Deans of various Schools/Departments planted medicinal plants. Medicinal plants are considered as a rich resource of ingredients which can be used in drug development either pharmacopoeial, non-pharmacopoeial or synthetic drugs.

TREATMENT OF STRAY DOGS IN UNIVERSITY CAMPUS

Students of the School of Veterinary Science, Abhilashi University took initiative and gave treatment to injured stray dogs. Students understood that the localities, in which we live, belong to them, as much as to us. Most of the population looks at stray dogs as a menace and a threat. Just a few unfortunate events of dog bites are enough to turn people against stray dogs and perceive them all viciously. In all probability, a dog does not bite unless provoked, sick, or in pain. Stray dogs have as much a right to live with dignity and peace as we humans do. Surely a little empathy and respect for another species can reduce a lot of conflicts and make the world a happier place. So let's try and make Mother Earth, a peaceful place for all creatures big and small, with shared thoughts of kindness.

A WEBINAR ON "YOGIC CLEANSING"

A webinar on "Yogic Cleansing" was organized by Abhilashi Ayurvedic College & Research Institute on September 9, 2021. Dr. Gagan Thakur, HoD, Department of Swasthviritta, Dayanand Ayurvedic College, Jalandhar, Punjab was the keynote speaker. INDUCTION PROGRAM FOR NEWCOMERS

On 23.10.2021 the Induction Program was conducted for newly admitted D. Pharmacy/ B. Pharmacy/ M. Pharmacy students. Dr. RK Abhilashi, Hon'ble Chancellor, Abhilashi University congratulated students for associating with University and shared his vision and mission. Prof. HS Banyal, Vice-Chancellor, Abhilashi University extended the greetings to the newcomers and advised all to think out of the box for preparing for innovative research and extension to have wider visibility of Abhilashi University. Dr. Amit Chaudhary, Dean, School of Pharmacy interacted with the students and informed them about the objective of conducting the induction program and advised students to participate proactively in all the curricular/co-curricular and extracurricular activities to ensure overall development in these two- & four-years courses. He also provided information on the functioning of the Anti-ragging committee of the school to ensure ragging free campus. Induction program concluded with a vote of thanks by Dr. Shivali Singla.

OYSTER MUSHROOM CULTIVATION IN UNIVERSITY

The School of Agriculture established a mushroom cultivation unit, under which Oyster mushroom cultivation was initiated in September 2021. The seed spawn was procured from CSK HPKV, Palampur. Oyster mushroom is popularly known as 'Dhingri' in

India. Oyster mushrooms are consumed as food and provide nutrient supplements, high protein content and have high medicinal value. Mushrooms are the next high-value agriculture crop that can transform the income of small and marginal farmers.

WORLD FOOD DAY CELEBRATED ON THE CAMPUS

On the occasion of World Food Day, the School of Agriculture, Abhilashi University, Chail- Chowk, Mandi (H.P.) organized a webinar on the theme "Our Actions are Our Future-Better Production, Better Environment, and Better Life". Academicians from various Universities and Institutes joined the webinar.

Hon'ble Chancellor Abhilashi University welcomed the speaker Dr. Ashok Kumar, Former Vice-Chancellor, Apex Professional University, Pashighat, Arunachal Pradesh, and all the participants and congratulated the Dean, school of Agriculture and his team. Hon'ble Vice-Chancellor Prof. H.S. Banyal in his address highlighted the importance of agriculture in such a way that no

nation can survive and progress without it. He further added that how agriculture can be made more productive with proper investment in an irrigation system, research, fertilizers, insecticides, and herbicides which would ultimately lead to a better living quality of life and better environment. Dr. Ashok Kumar described the aims and objectives behind the celebration of World Food Day. He also laid stress on the global hunger index, various revolutions, Targets of Indian Agriculture, loss of nutrients in food, impact of climate on food production, and initiatives of the Government of India to cope with such an alarming situation. Dr. Ajay Kumar Gautam, Coordinator of the School of Agriculture, proposed a vote of thanks.

DR. AMIT CHAUDHARY BAGGED THE PRINCIPAL OF THE YEAR AWARD

Society of Pharmaceutical Education & Research awarded the certificate of honor to Prof. Dr. Amit Chaudhary, Dean-Faculty of Pharmacy, Abhilashi University by the approval of the Central Executive Council (CEC) during SPER 10th Annual International Conference & Exhibition held at Ganpat University, Mehsana, Gujarat on October 8-9, 2021. The theme of the International Conference was "Innovations in healthcare: Integrating academia and industry".

This award was given for his significant contribution to society and the profession of Pharmacy. Hon'ble Vice-Chancellor, Abhilashi University congratulated Dr. Amit Chaudhary.

PHARMACY STUDENTS VISITED USV PHARMACEUTICAL INDUSTRIES LIMITED

School of Pharmacy organized an industrial visit to USV Pharmaceutical Industries Limited, Baddi, H.P. with 56 students (B. Pharm & M. Pharm) being part of the entourage on 11th Dec. 2021. Students visited various sections of the industry including tablets, capsules, liquid orals, and dry syrups manufacturing.

The objective of the visit was to provide in-depth learning about the real-life environment of the industry operations like quality control and quality assurance. Dr. Shivali Shingla and Mr. Sunny Diman coordinated

the visit successfully. Dr. Amit Chaudhary, Dean, School of Pharmacy appreciated the efforts of team members.

WEBINAR ON MUSHROOM CULTIVATION

On 01.11.2021 School of Agriculture organized a webinar on the theme "Mushroom Cultivation as a Career for Agriculture Students". The Hon'ble Chancellor, Abhilashi University told that agriculture is an integral part of human life without which no human civilization can survive. The Vice-Chancellor, Prof. H.S. Banyal said that in today's era, mushroom cultivation is a better option for livelihood.

After that, the keynote speaker of the webinar Dr. Hari Sharan Goswami stressed self-employment and told about setting up of nursery for agriculture students, growing different types of hybrid seeds, and mushroom cultivation as a better option of livelihood. After this, he told about different types of mushroom entrepreneurship and their benefits. According to him, a mushroom is a future market in which products like foam, leather, and bricks from mushrooms can be seen emerging as a better form of some synthetic products like rubber leather, clay bricks, etc. He suggested the cultivation of various mushrooms such as Oyster, Button, Cordyceps, Lentinula, Morchella, etc. as they all have immense income potential in today's era. At the end of the webinar, Dr. Ajay Kumar Gautam, coordinator extended a vote of thanks to the keynote speaker and all the participants.

The resource person said that the key player in the immune system is the white blood cells, which can travel throughout the body through the blood vessels. To monitor for invading microbes, the body exchanges cells and fluids between the blood and lymphatic

system. So immune cells gather, work, and serve to confront antigens in lymph nodes and the spleens compartment. The program was ended with a vote of thanks by event coordinator Dr. Neetu Sharma.

21ST MEETING OF GOVERNING BODY OF ABHILASHI UNIVERSITY

On 31.12.2021, the 21st meeting of the Governing body of Abhilashi University was held under the chairmanship of Dr. RK Abhilashi. The meeting was started with the formal welcome of the nominated member by the state government, Shri Ajay Kapoor, along with other members of the governing body.

WORLD SOIL DAY CELEBRATED

School of Agriculture, Abhilashi University organized a camp (7-12-2021) on the occasion of World's Soil Day in Pathan village, District Mandi (H.P). On this occasion, Dr. Ravinder discussed with farmers about soil testing and gave a demonstration on the preparation of vermicompost Dr. Priyanka gave the information to farmers regarding sustainable farming practices (organic farming and natural farming) which helps in retaining soil fertility, ensuring chemical-free agriculture, low cost of production, and thereby enhancing farmer's income.

AGRICULTURE STUDENTS VISITED GRAM PANCHAYAT

On dated 22/12/2021 an extension activity was conducted by the School of Agriculture, Abhilashi University. The students of M. Sc. Agriculture and B.Sc. Agriculture 1st Year visited Gram Panchyat Chachyot. Panchyat Pradhan Mr. Mehender Singh Verma and Up Pradhan Mr. Beli Ram of Village Chachyot, Block Gohar Distt. Mandi addressed the students and informed

them about the various schemes being implemented by Gram Panchyat. They explained to the students about the formation of Gram Panchayat and its functioning at the grass root level. They told the students the procedures of redressal of queries and problems of villagers. The Pradhan also told the students about the latest schemes of Himachal Government for the upliftment of the Village. The activity was of importance for general awareness of young graduates. It was successfully coordinated under the guidance of Dr. D. R. Thakur, Dean School of Agriculture, Dr. A.K. Gautam, Coordinator, and his team.

CULTURAL FEST 'ABHITARANG' ON NOVEMBER 11-12, 2021

A colourful and memorable two days Cultural Fest 'Abhitarang' was organized in the Abhilashi university auditorium. On the first day Dr. Promila Abhilashi vice-chairperson Abhilashi education society was the Chief Guest. The program was followed by the lighting of the lamp. It was accompanied by a melodious Saraswati Vandana, hailing the goddess of knowledge and wisdom. Mesmerizing programs were presented by various schools/ departments of Abhilashi University viz. singing, dancing, poetry recitation, skits, mimicry, mono act shows, Bhangra, Folk dance, classical and modern combination of several foot-tapping numbers. Everyone sat glued to the show.

The Chief Guest of Day 2 Mrs. Kailashi Devi Abhilashi blessed and congratulated Hon'ble Vice Chancellor for organizing this mega event. Dr. Parikshit Sharma, Dean of Student Welfare concluded the two-day event with a vote of thanks. The students were given prizes on their achievements.

HIV/AIDS PREVENTION, TREATMENT AND CARE

World AIDS Day was commemorated on 1/12/2021 to show support to those living with the disease and an opportunity for public and private partners to spread awareness about the status of the pandemic and encourage progress in HIV/AIDS prevention, treatment and care around the world. It has become one of the most widely recognized international health days and a key opportunity to raise awareness, commemorate those who have died, and celebrate victories such as increased access to treatment and prevention services. Abhilashi University has also taken initiative and organized experts lecture that has given meaningful information to the audience.
