

## Mandatory Disclosure of Ayurveda

### Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University)

Ayurveda is a system of medicine. When translated from Sanskrit, Ayurveda means 'the science of life'. It provides us the knowledge of how to prevent disease and to eliminate the root cause if it does occur. The institute is situated at such a place, the surrounding of which is so picturesque that makes it more suitable for teaching and training of Ayurvedic Education and Research. The surrounding flora is rich in important medicinal plants. The institute is running Post-graduation level programme (MD) and graduation level programme (BAMS), which are recognized by National Commission for Indian System of Medicine (NCISM/AYUSH), Government is also running Diploma in Pharmacy (Ayurveda) course. Abhilashi Ayurvedic College and Research Institute has its own 100 bedded multi-specialty hospital, furnished pharmacy and a herbal garden of 2700 m<sup>2</sup> are as with more than two hundred species of medicinal plants. In addition to Central Library, College has its own working library with more than 11,000 books and 15 journals related to Ayurveda.
