

### 4.2.1 Response

With a built-up area of 687 square meters, the Abhilashi University Central Library can accommodate 150 members. Departmental libraries of several schools each have adequate space and are staffed by a certified senior librarian and assistant librarian. It also offers a feedback system, and library amenities are enhanced in response to their input. There are many back volumes of scientific and technical publications in the library, along with notable book volumes and titles. In addition, the library has subscriptions to over 10,000 e-books via DELNET, lacs of books through NDLI, and national and international periodicals, magazines, and e-journals. The library provides digital resources for printing and scanning rare and out-of-print books, doctoral theses, and postgraduate dissertations. Faculty publications and other internal publications have also been converted to digital format. Soft copies of past years' exam papers are also available at the library through the institutional repository. Rare books in hard copy and soft copy are available in the University Library. The majority of the rare books are in English and Sanskrit. A vast array of reference materials, including encyclopedias, Britannica, dictionaries, biographies, and atlases, are also available in the library.

### 4.2.1 Additional Information

Abhilashi University Central Library consists of Online Journals of different subjects, e-books, research reports etc are available on DELNET and INFLIBNET. It has one newspaper reading room. The library works from 08:00 AM to 08:00 PM on all working days and from 09:00 AM to 01:00 PM on the holidays. It has an air-conditioned Digital Library. The library has 28773 volumes with 5840 of books and having significant no. of back volumes of scientific and technical periodicals. The library also subscribes to nearly 21 National journals and 24 magazines and 1771 e-journals with more than 10000 e-books through Delnet and more than lacs of books through NDLI. A separate reference section is maintained with Handbooks and General knowledge books. Interlibrary loan facility is available through DELNET. Central Library supports departmental libraries in all departments.

The library follows open access system encouraging the user to browse freely in the stock area. It is fully automated using the following Integrated Library Management System:

*Name of the ILMS software:* **DELL+**

*Nature of automation (fully or partially):* **Fully**

*Version:* **10**

*Year of automation:* 2021

*Online Public Access Catalogue +(OPAC):* Open for all students and staff through remote access Throughout the campus.

## Digitization Facility

The library has digitized facility for printing, scanning materials such as, rare and out of print books, Ph.D. theses and PG dissertations. The publications of the faculties and other in-house publications have also been digitized. The library has also soft copies of the question papers of previous years which can be accessed through institutional repository.

The University Library has a collection of rare books, both in soft and hard form. Most of the rare books are in Sanskrit and English. Some of the titles are Plato, Sankshipt Mahabharata, PrachinCharittrakosh, Maharashtriya Dynankosh, Hindu Dharma Shikshan, Epigraphia Indica etc. The Library also has an extensive collection of reference sources like Encyclopaedia Britannica, Dictionaries, Biographies, and Atlas etc. In addition, the Library has encyclopaedia and dictionaries like Itihas Shastra Kosh, Manas Shastra Kosh, Artha Shastra Kosh, Aitihasic Shabdkosh, Sarita Kosh, etc. The Library has a repository of rare books in various languages covering subjects such as Mathematics, Astronomy, Siddha, Ayurveda, Unani, Veda, Agama, Architecture, Music, Sculpture, Fine Arts, History, Grammar, Literature etc. are also being digitized.
